**Order**

**18/12/2017**

The prayer in the present petition is to direct the respondent-University to declare the result of the students of petitioner College and issue mark sheet in favour of all the students who have pursued their BA final year examination 2016-17 from petitioner College.

Learned counsel for the respondent University has pointed out that the results have since been declared on 15/12/2017. A

copy of the same has been placed on record. It is further pointed out that the result of some of the students stand cancelled in view of the fact that they were found involved in mass copying.

In view of the above, the writ petition is rendered infructuous. Dismissed accordingly.

However, while issuing notices on 17/07/2017, an interim order was passed directing the respondent-Colleges to allow the students of the petitioners college to deposit their fees towards the course and also allowed to report at the concerned college. It is clarified that all those students, who will be found disqualified on account of declaration or non-declaration or cancellation of their result or otherwise, will be at liberty to pursue their other remedies, if so available to them.
